Our Services

MHF Law Firm (MHF) is an emerging law firm established at the heart of South East Asia, Jakarta. The establishment of MHF derived from the significant growth of law enforcement in Indonesia that, however, not accompanied by the concept of “equality before the law” for every citizen in Indonesia.

MHF in handling and tackling legal matters prioritizing on non-litigation solutions and dispute settlement. We use our extensive legal knowledge and practical experience to come up with the most appropriate strategy for any given scenario.

Our Team

The range and scale of MHF’s work is compelling and encompasses high-value strategic advice to the everyday. Multi-disciplinary philosophy ensures that MHF lawyers have a broad understanding of various legal areas and can offer not only depth of expertise but also breadth of experience and sound commercial judgment.

Our primary intention is to help our clients navigate the legal and regulatory environment, so that every legal subject need not end up in the court.

Our Relationship

MHF have a good relationship, continuous coordination and great expertise with all law enforcement institution including but not limited to officers and official at the Indonesian Police Force, Indonesian State Attorney, Indonesian Supreme Court and all its judiciary court in district court and high court for general claim at district court, bankruptcy and PKPU application and intellectual property claim at commercial court, labor claim at labor court and corruption claim at anti-corruption court.

We have also established a well maintained relationship with Indonesian Government including but limited to Ministry of Law and Human Rights, Ministry of Energy and Mineral Resources, Indonesia Investment Coordinating Board (BKPM), Bank Indonesia and Financial Services Authority (OJK).

General and Commercial Corporate Matters

Our approach in CORPORATE matters combines a deep understanding of clients' businesses on markets and sectors, with high-caliber expertise, straight-talking advice and a collaborative team culture. Our team also offer one stop solution services which accommodate the client's need for legal assistance in deal structuring, preparation and negotiation of transaction documents until the completion of the transaction. This practice group covers merger and acquisition, corporate restructuring, liquidation, foreign direct investment, infrastructure and natural resources, licensing services and corporate secretarial.

Litigation and Dispute Resolution

Our LAND AND PROPERTY practice group can provide an extensive legal assistance related to land and property matters, inter alia: ownership dispute, legal due diligence on the land ownership, deal structuring and documentation preparation for land/property transaction. With our knowledge and practical experience, we can ensure that clients can overcome any hurdle and achieve the result in the best possible structure and solution.

Manpower Matter & Labor Dispute

In Manpower Matter & Labor Dispute sector, we expertise in reviewing and drafting employment contracts, company regulation, labor union matters, working permit for foreign employees and other manpower related matters. We also represent and assist our client in labor dispute and legal proceedings regarding employment termination outside or inside the Labor Court.

Bankruptcy and Restructuring

Our team have expertise and equipped with special experiences and licenses in BANKRUPTCY AND RESTRUCTURING. The Firm with its practice in Bankruptcy and Restructuring could provides practical, applicable strategies that are supported by substantive legal and procedural knowledge in courtroom and creditors meeting with negotiation experience and deep understanding of how decision and voting could give legal outcomes and impact for both Debtor and Creditors.

Land and Property

MHF has experience in virtually all segments of the business and financial markets across multiple jurisdictions. The lawyers work with clients to resolve disputes efficiently and effectively for torts, default matters, labor dispute and other legal matters, whether through mediation and negotiation outside the court, arbitration, litigation and mediation within the court, and other dispute settlement body authorized by the law.

Intellectual Property

In INTELLECTUAL PROPERTY sector, our dedicated intellectual property team is a well-run and highly responsive team and can advise as well as support you throughout the entire life cycle of intellectual property application in registration, extension, revision, assignment as well as dispute settlement in or out of court.
